

Dear Mrs Dahl:

Nov. 3rd  
1982  
Haite

I cannot refrain from writing to tell you what a happy time we are having here in your dear Sam's home; all your Sam's are fine - you must feel justly proud of them because you instilled in their hearts the love of Bahá'ílláh & in their conduct His precepts! I wish I could say as much for all Bahá'í mothers ...

Greg seems very well & happy; to have this chance to know him better is just one more bonus in coming to Haite; we spent a long week - end teaching in the Des Cayes area, a great satisfaction to Valette & me & I hope to Greg too. It is a great pity his tour of duty will soon be over here as I know in his work he has done a lot of good & also in helping the teaching work & the pioneers here.

I wish you had been here to share it all with us. Your presence, however, was with us in thought very often. Greg has told me how active you are can standly in your Board work. What an earth would we do if we could not be active? I feel very sorry for other people!

We expect to go out on another teaching trip in a few days - almost 2 weeks, last one was a week - then again return to this hospitable home & leave for Georgia & a rest cure the end of this month. I don't think we will be back in Haite till December as we return via Cyprus so Valette can see her children & grandchildren in our new home.

I hope your path crosses mine sometime!  
meantime my warm Bahá'í love,

R. Kueyeh
