Dear Mrs. Dahl,

It is a pleasure to be able to write to you after all the wonderful things I have heard about you from many friends and specially from Bahiyjah. She told me how much she enjoyed meeting you and getting to know <sup>you</sup> and how much she admired you. God willing we may meet one day.

It has been such comfort to come here and be a guest at Greg's beautiful home. I know what a bounty it is to have beloved Rubiyjah Khanum as a guest at one's home & this is a special reward from Bahai'llah to Greg for his devoted services to this precious Cause.

After this visit of Rubiyjah Khanum, Haiti will never be the same, already one feels the flow of His unbounded mercy & grace to this island. Her love, deep and genuine love for the meek and long suffering people of this island surely will draw even more blessings from Bahai'llah.

There are a band of devoted pioneers in Haiti:

with deepest Bahai's love
